

A Prayer for Prosperity

Dear God

I come before you humbled by all of the blessings that You have already given me. I see Your divine works everywhere and I am filled with emotion by how much abundance there truly is in the world. I ask that You will fill me with the energy to complete the tasks that are set before me. I pray for the strength to overcome challenges and learn from them. I ask for the compassion to accept all people and all situations just as they are. I stand before You prepared to serve and welcome in prosperity in all areas of my life.

I am Your divine creation.

I am powerful beyond measure.

I am connected to all that is good and positive in the world.

I thank You that I can connect with Your energy and light any time that I choose.

I take one hundred percent responsibility for my life.

Today I choose to selflessly assist others to the best of my abilities. I choose to listen the way I want to be listened to. I choose to treat others the way I want to be treated. I choose to forgive others the way that I want to be forgiven. I stand before You willing to both give and receive.

I love You God.

Amen
